### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The present application relates to a system for communicatively, through an active network, coupling a plurality of devices in a vehicle. According to the claimed invention, there is provided a plurality of network elements coupled by connection media forming an active network, wherein the active network is included in a vehicle having a first device and a second operably disposed therein and communicatively coupled by the active network. According further to the claimed invention, there is provided a data packet for communication of data between the first and second devices via the active network, wherein the network elements process the data packet with the active network based on an active portion of the data packet. The aforementioned limitations and arrangement thereof are not taught in the prior art. In light of the foregoing the claims of the present application are found to be patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacques H Louis-Jacques whose telephone number is 703-305-9757. The examiner can normally be reached on M-Th 6:30 AM to 5:00 PM.
